GRANDPARENTS PLUS

TRUSTEES' REPORT

YEAR ENDED 31 MARCH 2016

The trustees present their report and financial statements for the year ended 31 March 2016. The financial statements have been prepared in accordance with current statutory requirements; the charity's governing instrument, and the Statement of Recommended Practice (revised 2015), Accounting and Reporting by Charities.

Structure and merger with The Grandparents' Association

Grandparents Plus is a charitable company limited by guarantee. It is a registered charity, which is governed by its Memorandum and Articles of Association. It was incorporated in 2002.

Grandparents Plus merged with The Grandparents' Association on 1 November 2015. The Grandparents' Association, which was established as a charity in 1987, had similar objectives to those of Grandparents Plus. The charities had worked in tandem over many years and it was decided by the Trustees of both charities that it would be more effective if the two joined together to obtain the benefits of greater efficiency and economy. The trustees agreed that it was to the advantage of all stakeholders for Grandparents Plus to be the charity continuing to operate and The Grandparents' Association was therefore merged into it. As a result of the merger, Grandparents Plus can now rightfully claim to be the sole national charity focusing on serving the interests of grandparents and their grandchildren throughout England and Wales.

Vision statement

A Britain where all grandparents are celebrated and supported in the role they play in the lives of their families, in their grandchildren's wellbeing and in wider society.

Mission statement

- To recognise, support and celebrate the role of grandparents in the family and wider society,
- To support the relationship between grandparents and their grandchildren,
- To help ensure that children in difficult family circumstances receive the care they need from a family member.

Aims and objectives

The objectives of Grandparents Plus are to promote the better care of children, in particular by:

- Promoting the role of care by grandparents at all levels, particularly in circumstances of family breakdown and other difficult circumstances.
- Supporting and advising grandparents and other kin who are acting, or intend to act, as carers, particularly in the circumstances mentioned above.

Principal purposes and activities

Grandparents Plus is the national charity for England and Wales which champions the role of grandparents and the wider family in children's lives – especially when they take on the caring role in difficult family circumstances - because we want to make children's lives better. We do this by:

- Campaigning with them for change so that their contribution to children's wellbeing and care is valued and understood.
- Providing evidence, policy solutions and training so that they receive the services and support they need to help children to thrive.
- Advising and supporting them by ensuring that they have access to professional advice, information and peer support, particularly when they are raising children who are not living with their parents or they are providing in depth family support.
- Advising, informing and supporting professionals to develop good kinship care practice.

Our activities and achievements in the year under review included:

- A national Support Network, facilitating peer-to-peer support for kinship carers through learning events, family fun days and a buddying scheme.
- An advice and information service, offering tailored financial, practical and emotional support for grandparents and other kinship carers, and a helpline supporting grandparents who are denied contact with their grandchildren.
- **Relative Experience**, a kinship carer support project which includes one-to-one support and peer support group development, in all local authority areas in the north east of England.
- Research and influencing policy and practice.
- Training for kinship carers and professionals.

During the year, Grandparents Plus supported 10,000 grandparents and other kinship carers.

During 2016 and post-merger, there was a strategic review and a restructuring of the charity to deliver new strategic objectives, increase the charity's reach and focus on sustainability.

The trustees are aware of their requirements to have due regard to the Charity Commission's general guidance on public benefit, 'Charities and Public Benefit'.

Future plans

The key objectives for the coming year:

We will connect people, building and supporting a powerful and engaged **network of grandparents and kinship carers.**

We will further develop a high quality and accessible multi-platform **information and advice** offer for grandparents as well as other family members who are raising a relative's child.

We will further develop **practical help and support** for grandparents, including peer-to-peer support, an online community and high quality resources, training and learning events.

We will continue to work with our beneficiaries as powerful agents of change, influencing policy and practice, including through new research and the roll-out of high quality, research informed and evidence-based programmes such as Relative Experience.

We will build a sustainable future for the charity, diversifying our income, investing in our infrastructure and developing our work with volunteers.

Financial review

The financial statements reflect the operations of Grandparents Plus for the twelve months ended 31 March 2016 and of The Grandparents' Association for the five months post merger on 1 November 2015 and the state of affairs of the merged charity at 31 March 2016.

The gross income for the year was £1,039,000 (2015 - £688,000). This included the receipt of £111,000 being the closing reserves of The Grandparents' Association at the time of the merger. Although the increase in income was very welcome, it reflected increased contributions to the funding of our projects and, of that income, £286,000 (2015 -: £178,000) was paid to our partners in those projects. Thus net income to cover the costs of our own staff and related expenditure on projects and core costs was £753,000 (2015 - £510,000).

Grants and donations were inadequate to cover our core costs. Thus, although the charity made a small surplus of £3,000 for the year, there was a deficiency in unrestricted net income of £106,000 of which £44,000 related to merger and related redundancy costs.

At 31 March 2016 the charity had cash resources of £126,000. The trustees have acknowledged that there needs to be a major effort to increase unrestricted cash and has developed a campaign to do so with the intention of raising significant new funds to enable Grandparents Plus to continue to operate and to serve its beneficiaries. In addition to such new funding, the trustees are confident that the applications for project funding currently under discussion will lead to appropriate contributions to core costs to enable those ongoing costs to be covered in the short term.

We are immensely grateful to all our funders and supporters; their generosity is greatly appreciated.

Our funders and supporters include:

Big Lottery Fund Esmée Fairbairn Foundation Garfield Weston Foundation John Ellerman Foundation Paul Hamlyn Foundation Porticus The Department for Education The Headley Trust The Henry Smith Charity The Tudor Trust The Young Foundation Individuals who support our vital work through donations, legacies and a range of fundraising activities, including grandfather Terry Keen who cycled from Northumbria to Cornwall to raise funds for Grandparents Plus.

Reserves policy

The charity's reserves policy is to build up its unrestricted reserves to cover six months' operating expenditure.

Governance and management

The trustees (who are also the directors of the company for the purposes of company law) serve for three years after which period they may put themselves forward for re-appointment. The Board of Trustees keeps the skill requirements of its members under review and may appoint a person as a trustee either to fill a vacancy or as an additional trustee. New trustees may be sought by open advertisement or through a dialogue with existing supporters of the charity. The Articles of Association provide for a minimum of three trustees and a maximum of ten trustees. Newly appointed trustees receive an induction pack, including the charity's governing document and a briefing document describing the legal status, role and responsibilities of trustees. They are invited to visit the offices of the charity for further informal briefings by the Chief Executive.

The Board is responsible for setting the strategy and policies of Grandparents Plus. The members of the Board elect the Joint Chairs and appoint the Chief Executive. The Chief Executive is responsible to the Board of Trustees, through the Joint Chairs, for the execution of those policies.

Members of the board of trustees

The Trustees who held office during the year are shown on page 1. There were six Board meetings during the year. The Trustees wish to thank Stephen Burke for his contribution to the oversight of Grandparents Plus and his leadership over eight years as Joint Chair, initially with Jean Stogden the co-founder of Grandparents Plus, and through the recent merger negotiations. They are also most grateful to Belinda Harding, the previous Chair of The Grandparents' Association, for her leadership of that charity and her role in bringing the two charities together. They also thank those other former trustees of The Grandparents' Association for their contributions to that charity and a successful merger.

Staff and volunteers

The Trustees thank the former Chief Executives of both Grandparents Plus and The Grandparents' Association who led the two charities for many years prior to the merger. Sam Smethers was Chief Executive of Grandparents Plus from 2008 until 2015 and grew the charity from two members of staff, built its expertise and reputation and raised awareness and understanding of kinship care. Lynn Chesterman was Chief Executive of The Grandparents' Association for 17 years and during that time developed new support networks for grandparents, including those denied contact with their grandchildren. On her retirement at the time of the merger, Lynn's work was recognised with the award of an OBE.

The Trustees were delighted to appoint Lucy Peake as Chief Executive of Grandparents Plus on the departure of Sam Smethers; she retained that position in the merged charity. Previously she was a senior employee at The Fostering Network.

We are very grateful to our skilled, experienced and dedicated volunteers who continue to play a vital role in supporting grandparents and other family members through our helpline and Relative Experience project; as well as the talented postgraduate students who have contributed to our research projects.

Remuneration of key personnel

The pay of the Chief Executive is reviewed annually and normally increased in accordance with average earnings to reflect a cost of living adjustment.

Risk management and internal controls

The Trustees have overall responsibility for ensuring that the charity has appropriate systems of control, both financial and operational.

A recently created Finance Committee meets regularly under the chairmanship of Frank Harding who has been appointed financial adviser to the Board. It reviews the major financial and operational risks facing the charity. It monitors the implementation of any changes necessary to ensure that, as far as is reasonable, controls are in place to protect the charity, its members, its staff, the general public and other stakeholders.

Grandparents Plus has a formal risk management process through which the Chief Executive identifies the major risks to which the charity may be exposed and has ranked these by likelihood and impact, culminating in a risk control document which is updated on a regular basis. All significant risks, together with current mitigation actions, are reviewed regularly throughout the year by the Trustees. The Trustees are satisfied that systems have been developed and are in place to mitigate identified risks to an acceptable level.

The systems of internal control are designed to provide reasonable, but not absolute, assurance against material misstatement or loss. They include:

- An annual budget approved by the Board
- Regular consideration by the Board of financial results, variance from budgets and non-financial performance indicators
- Delegation of authority and operating procedures

The principal risks and uncertainties identified by the Trustees are as follows:

Risk identified	Action taken to mitigate the risk
Over reliance on project funding	Fundraising strategy to diversify income
Reduction in funding from major donors	Fundraising strategy to diversify income
Data loss	Data Protection Policy and IT systems and
	processes reviewed regularly

Statement of trustees' responsibilities in respect of the trustees' report and financial statements

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the net movement in funds, including the income and expenditure, of the charity for that period. In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently
- Observe the methods and principles in the Charities SORP
- Make judgements and estimates that are reasonable and prudent
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

In so far as the trustees are aware there is no relevant audit information of which the auditor is unaware, and the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Small companies provisions

This report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

By order of the Board

Net cash used in operating activities	(53,811)	47,394

The notes on pages 11 to 18 form part of these financial statements

1. Accounting policies

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP(FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) and the Companies Act 2006.

Reconciliation with previously Generally Accepted Accounting Practice (GAAP)

In preparing the accounts, the trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 a restatement of comparative items was required. The transition date was 1st April 2014 and no restatement was required.

Public benefit entity

The charity meets the definition of a public entity under FRS 102.

Going concern

The trustees believe that the charity will have sufficient funds to continue as a going concern

The trustees do not consider that there are any sources of estimation or uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

Merger with The Grandparents Association ("GPA")

The charity merged with GPA on 1 November 2015. On that date the assets and liabilities of GPA were transferred to the charity and its reserves have been treated as a donation to the charity. The transactions of GPA since that date have been included in the Statement of Financial Activities of the charity.

Income

Voluntary income and income from charitable activities comprise amounts received and receivable by way of donations and grants where the amounts are certain and there are no outstanding conditions to be met to confirm that they are payable.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Donations of gifts, services and facilities

Donated professional services and donated facilities are recognised as income when the charity has control over the item or received the service, any conditions associated with the donation have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), volunteer time is not recognised.

On receipt, donated gifts, professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Fund accounting

Restricted, designated and general funds are separately disclosed, as set out in note 16.

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objects of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Statutory grants which are given as contributions towards the charity's core services are treated as unrestricted.

Expenditure and irrecoverable VAT

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Support costs, which cannot be directly attributed to particular activities, have been apportioned proportionately based on staff numbers.

Governance costs are those incurred in connection with the management of the charity's assets, routine administration and compliance with constitutional and statutory requirements.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Tangible fixed assets and depreciation

Computer and office equipment and furniture costing less than £500 is written off in the year of purchase. Assets costing more than £500 are capitalised. Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Fixtures, fittings and office equipment 25% straight line

Taxation

No taxation has been provided for in the financial statements because, as a registered charity, the income is exempt from taxation.

Notes on the restricted grant funding

a.) A Big Lottery Fund Reaching Communities grant funded Support Network activities and also a contribution towards the advice service. Big Lottery Fund Awards for All funding supported parenting workshops for kinship carers. The Big Lottery Fund Silver Dreams Fund supported the scale up of the Relative Experience project in the North East.

b.) The Advice Service was funded by The Henry Smith Charity, Garfield Weston Foundation, Department for Education and Big Lottery Fund Reaching Communities

c.) The Department for Education funded the development of the Kinship Care: Early Help Model training.

d.) The Paul Hamlyn Foundation has funded the Growing Up in Kinship Care research study.

e.) The Esmee Fairbairn Foundation funded service development.

Transfers between funds

Once restricted projects are completed and signed off any residual reserves are transferred back to unrestricted funds.

Independent auditors' report to the trustees of Grandparents Plus

We have audited the financial statements of Grandparents Plus for the year ended 31 March 2016 which comprise the statement of financial activities (incorporating the income and expenditure account), the balance sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

As explained more fully in the statement of trustees' responsibilities set out on page 6, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charitable company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the trustees' report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2016 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the trustees' annual report for the financial year 31 March 2016 for which the financial statements are prepared is consistent with the financial statements.

Other matters

We draw attention to the fact the corresponding figures for 2015 in the financial statements are unaudited. Our opinion is not qualified in this matter.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption from the requirement to prepare a strategic report or in preparing the trustees' annual report.

Date: Mul.
