Kinship Care Week

5-11 October 2026

Celebrating kinship families

What is Kinship Care Week?

Kinship Care Week (5 – 11 October 2026) is a time to shine a light on the vital role of kinship carers – relatives and friends who step up to raise a child when their parents are unable to.

Over **141,000 children** in England and Wales are raised by family or a friend, also known as a kinship carer.

**Did you
know?**

This Kinship Care Week, we're celebrating the **unbreakable bonds at the heart of kinship families** – and the communities they build to support one another - while highlighting the realities of stepping up to care for a child who has had a difficult start in life.
